

International Conference on Geometric and Complex Analysis

Institute of Mathematical Science at Nanjing University

南京大学现代数学研究所 July 13-15, 2010

The objective of this conference will be to provide an opportunity for mathematician working in various directions of complex geometry and complex analysis to interact and exchange most up-to-date researches, and to share ideas toward prospering future works.

Scientific Committee :

Chair: Gang Tian (Nanjing University and Princeton University)

Members:

Jianguo Cao (University of Notre Dame, Nanjing University)

Weiyue Ding (Peking University)

Xueping Wang (University of Nantes, Nanjing University)

Xingwang Xu (National University of Singapore, Nanjing University)

Weiping Zhang (Nankai University)

Organizing Committee :

Chair: Chongqing Cheng (Nanjing University)

Members:

Decheng Ding (Nanjing University), Jiaqiang Mei (Nanjing University)

Huicheng Yin (Nanjing University), Jiangong You (Nanjing University)

Invited Speakers:

Binglong Chen (Sun Yat-sen U.)

Qing Han (Notre Dame, USA)

Jiayu Li (ITCP, Italy)

Ngaiming Mok (Hongkong U.)

Jie Qing (UCSC, USA)

Mei-Chi Shaw (Notre Dame, USA)

Weiping Zhang (Nankai U.)

Xiaohua Zhu (Peking U.)

Sponsored by:

Institute of Mathematical Science at Nanjing University

Department of Mathematics, Nanjing University

Natural Science Foundation of China

Information:

Contact: Jiaqiang Mei, Email: meijq@nju.edu.cn Tel: 025-83686430
