

International Conference on Geometry and Analysis, Nanjing 2007

Institute of Mathematical Science at Nanjing University
南京大学现代数学研究所 **August 5–11, 2007**

The objective of this conference will be to describe some recent advances in the areas of Riemannian Geometry, Kaehler Geometry, non-linear PDE, Ricci flow, Symplectic /Contact Geometry. This will be the third year for this conference which started as a joint effort of mathematicians at Nanjing University and other universities in nearby areas.

Co-chairs: Gang Tian (Princeton & Nanjing), Xingwang Xu (Singapore)

Executive-Secretaries: Jianguo Cao (Notre Dame & Nanjing), Xiaoping Yang (Nanjing)

Scientific Committee :

Werner Ballmann (University of Bonn, Germany)
Weiyue Ding (Peking University and CAS)
Akito Futaki (Tokyo Institute of Technology, Japan)
Jiaxing Hong (Fudan University)
Gang Tian (Princeton University and Nanjing University)
Paul Yang (Princeton University, USA)

Organizing Committee :

Jianguo Cao (University of Notre Dame, USA)
Decheng Ding (Nanjing University)
Jiaqiang Mei (Nanjing University)
Hongyu Wang (Yangzhou University)
Xingwang Xu (National University of Singapore)
Xiaoping Yang (Nanjing University of Science and Technology)
Huicheng Yin (Nanjing University)

Sponsored by:

Institute of Mathematical Science at Nanjing University
Department of Mathematics, Nanjing University
College of Science, Nanjing University of Science and Technology
Natural Science Foundation of China
The Mathematical Center of the Ministry of Education

Invited Speakers Will Include:

Werner Ballmann (Bonn, Germany)
Gerard Besson (Grenoble, France)
Kenji Fukaya (Kyoto, Japan)
Akito Futaki (Tokyo, Japan)
Yuxin Ge (Paris 12, France)
Ursula Hamenstaedt (Bonn, Germany)
Qing Han (Notre Dame, USA)
Kengo Hirachi (Tokyo, Japan)
Dan Knopf (Texas, USA)
Bernhard Leeb (Muechen, Germany)
Jiayu Li (ITCP, Italy)
John Lott (U. of Michigan, USA)
Takeo Ohsawa (Nagoya, Japan)
Frank Pacard (Paris 12, France)
Viktor Schroeder (Zurich, Switzerland)
Knut Smoczyk (Hannover, Germany)
Luen-Fai Tam (CUHK, Hong Kong)
Changping Wang (Peking U.)
Guofang Wang (Uni-Magdeburg, Germany)
Xue-Ping Wang (Univ of Nantes, France)
Walter Wei (Oklahoma, USA)
Yuanlong Xin (Fudan U.)
Xingwang Xu (NUS, Singapore)

Contact Information:

Interested mathematicians and graduates are welcome to the conference, please contact us before **June 20, 2007**. In addition, we will provide partial financial support for a few number of graduates.
